ALL PROCEEDS BENEFIT THE  
MAINTENANCE, REPAIRS AND  
IMPROVEMENTS TO THE SANTA  
MARIA

## *Columbus Santa Maria, Inc.*

Columbus, Ohio is privileged to have the Santa Maria as a unique educational venue. She is a full-size, museum-quality historical ship representing possibly the greatest excursion of all time. We provide a hands-on opportunity for learning and give an accurate account of Christopher Columbus' first voyage. This expedition was the beginning of change felt throughout the world.

While the operations are self-sustaining through user fees, grants, and donations, we are holding a golf outing on June 18, 2010 to raise funds for the maintenance and repairs that the ship so badly needs.

We need your financial help. Your support benefits our city and thousands of students and visitors from around the world. Help keep the Santa Maria afloat, for the benefit of all, for many years to come. Your support will not only be recognized at the outing, but will be publicized at the ship for the up-coming year.

## **Sponsorship Opportunities**

*The Santa Maria serves 16,000-18,000 people annually. Our overnight in-depth educational programs serves 100-200 annually: including girl scouts, boy scouts, schools, home schools and church groups. Your support will help us preserve and maintain the ship so we can continue to fulfill our mission...*

- *To commemorate*
  1. *the first voyage*
  2. *operation of a 15<sup>th</sup> century sailing ship*
  3. *culture and life of the sailors*
- *To educate*
  1. *the importance of the voyage*
  2. *the results of the voyage*
- *To serve as a flagship for the city*
  1. *largest city in world named after Columbus*
  2. *encourage people to visit the Columbus Riverfront*
